BEDS 3 BATHS 6 SIZE 1,000 m2

Description

Hidden away in Asolo's area, close to world famous Venice, this villa offers three exquisite bedrooms. Equipped with a fantastically decorated fitted kitchen and dining spaces, the whole estate features both privacy and independence.

The close by restaurants serve excellent Italian cuisine based on local seasonal ingredients, accompanied by quality local wines and gastronomic rising star Prosecco, produced in this area. Outside, there's an alfresco area and a barbecue, together with vineyards and fields.

Everything is tastefully decorated, with handmade customised furniture, and modern comforts such as wireless Internet, an indoor heated pool and under floor heating. Local activities include hiking, city-sightings and cycling – the local concierge can help guests hire bicycles or a car, and staff will also cook breakfast and/or dinner on request.

This property in the countryside, featuring 1000 square meters of living space and great exteriors, is a perfect sample of the countryside life in this particular area: everything is green, the exterior area is scented like flowers blossoming in spring and the entire experience it is quintessentially Italian.

The pleasure of silence, the enchanting surroundings, the possibility to hire a cooking mamma to prepare a simple risotto con radicchio and salads some fresh tomatoes from the back garden, the proximity to a number of small villages with restaurants, bread shops, organic markets, artisans shops, hidden little churches and monuments, not to mention proximity to Venice are all part of the best package and experience a villa traveller would want.
